Summer Intern 2025 - Software Developer

[Apply](#)

New York

About Five Rings

Five Rings is a proprietary trading firm founded with a vision of combining strategy, innovation and technology to succeed in today's global markets. With offices in New York, Boca Raton, London and Amsterdam, Five Rings trades in various domestic and international markets, both established and esoteric. Our team constantly seeks new opportunities, analyzes their risks and rewards, and creates strategies and tools to capitalize on them.

We have an open culture and encourage the flow of knowledge and ideas between all areas of the firm.

Interviews will begin in September 2024.

About the Program

Five Rings offers an intensive summer internship program. The program includes immersion in both hands-on projects and classroom instruction from some of the brightest minds in the business. Interns get the chance to learn all about the trading business in our classroom as well as directly on the job while they spend their summer with us.

Summer Interns will be mentored by experienced Software Developers and immersed in significant enhancements to our trading system. They will also gain valuable technology knowledge with classroom training. Proficiency with C or C++ and Linux is preferred. Python is a plus.

Salary: \$5,750/week. Additionally, interns receive corporate housing.

Applicants are able to apply to multiple positions, but we strongly encourage you to only apply to your top choice.
